Dear Parents/Carers

Hot School Meals

As we enter the fourth week back at school, we are looking to increase our school lunch offering to the children by sampling hot school meals on Thursday 1st of October.

Since we have only been providing cold food the numbers of children having a school lunch has fallen. Which is something we want to address.

We recognise that many children really benefit from having a hot lunch. Our problem has been catering for this when the children are spread across the school having their lunch in their classroom.

We would like to have as many children taking part in this as possible. To help ensure that take-up is high we will be cooking the childrens favourite, Pizza as well as a Baguette option. (See attached flyer)

We will let you know how the trial goes and hopefully this will lead to more regular hot food shortly.

If your child is not eligible for a free school meal, please pay online via SCOPay. If you need log on details, please phone the office on 02392 001160 and we can arrange these to be given to your child to bring home at the end of the day.

Yours sincerely
