

Dear Parents / Carers,

As the first term of the new school year draws to a close can we please take this opportunity to thank you for your continued support and understanding in these strange and unusual times. Pupils from all classes have made a really positive start to the year and are already working to build upon prior knowledge.

December marked the start of the festive period and the eager anticipation of the Christmas Nativity Story. Unfortunately, this year it was sad that parents would be unable to join us live for the performance. However, with careful planning, time and a lot of fun an online Nativity has been produced for your viewing.

As the parent/carer of a child from either year 1, 2 or both we are providing you with an exclusive link and password to be able to access the performance. Please enjoy watching the children in this fantastic show.

Please scan this QR code and enter the password Victory2020.

If you would like to purchase a copy of the performance, then we will be selling DVDs in the new year for £3.50. Please complete the slip below if you wish to order.

Finally, from all the adults in the Year 1 and 2, we hope you all enjoy a restful and happy Christmas and look forward to seeing you all in the New Year.
