

Physical Education Resources for Remote Learning

Below are some ideas for you to keep learning the skills needed in Physical Education lessons. Whilst you are off school it is important to continue to learn Physical Education alongside the lessons provided by your class teacher. Most of the ideas below are designed to be completed at home whilst still learning the key skills we would use in a Physical Education lesson.

<u>Physical Education Resource</u>	<u>What is it?</u>	<u>Link</u>
Oak National Academy PE lessons	Lessons designed for children in Key Stage 1 and taught by PE teachers.	https://classroom.thenational.academy/subjects-by-key-stage/key-stage-1/subjects/physical-education
