Dear Parents/Carers

Breakfast and After School Clubs

As you will be aware, wider opening of the school will take place from Monday 8th March.

The Government has published strict rules about which children will be permitted to attend Breakfast and After School Clubs.

These are the groups who will be able to attend:

- Vulnerable children
- Other children, where the club is necessary to enable their parents/carers to **work** or undertake **education/training** (to obtain a regulated qualification, meet the entry requirements for an education institution or to undertake exams and assessments)

On occasional instances to:

- attend a medical appointment or address a medical need
- search for work
- attend a support group

If your child is **currently** attending breakfast or after school club you need to do **nothing** unless you want to withdraw them.

Otherwise, should you wish your child to attend either or both clubs, please complete and return the form/s by, at the latest, Monday 1st of March at 12.00 pm.

The forms can be found on our website or facebook page.

When we have received applications, we will allocate spaces and get back to you as soon as possible. If we have more applications than we have space for we may need parents/carers to provide evidence of e.g. employment. This is because we do have to follow the Government rules which are designed to keep the children safe.

Yours sincerely
