Head of School: Mrs K Jones

11th January 2021

Hello parents and carers of Pre-school Children,

Thank you for your patience and participation during our first week of live learning.

It was lovely to see some of your faces and we would like to carry on having some online contact with the children, but the take up for online learning has been low and we think we can offer something that we hope will work better for week 2.

We would like to still like to say hello to everyone every morning via a Teams meeting . This will be at 9.30am every day. We will sing our clownfish song together, take a register, read a story, and then give you some simple tasks for the day using your home learning packs. There will be a listening activity, a maths activity and a movement activity.

You can do these in your own time during the day and then send us a photo via Tapestry to show us how you've got on.

So, it's trial and error but we hope this will work better.

We have made learning packs for everyone. These contain some key resources that can be used for helping your child. We will communicate about this later in the week.

We miss you all!

Alice Crowe and Kara Jeffery
