Dear Parent/Carer

Return to School: September 2020

As you will know, the government has announced the very good news that all schools will be re-opening in full, from September.

We have now received the full government guidance about how this will work, and we are currently finalising our plans for how we will deliver this at The Victory. At all times, the safety, health and well-being of pupils and staff will be of the greatest importance and we will be ensuring that everything needed is put in place over the summer.

Our intention is that the school will run as normally as possible within the guidance and we will be writing to you before the end of term with specific details of how these will work. In that letter we will also confirm arrangements for the very beginning of term.

We look forward to welcoming back all our pupils when term begins. In the meantime, please do continue to ensure your child continues with their online learning or, if in school, that they attend school until the end of term.

Yours sincerely
