Dear Parent/Carer

Tuesday 23rd February 2021

Next Thursday, 4th March, is **World Book Day**. This is an event we - as a school - love to celebrate. This year is obviously going to be a bit different as we still have a great deal of children working remotely from home; however, we still want all of the children to join in on the action!

All children will be invited to dress up as one of their favourite book characters, to celebrate World Book Day. This could be a fictional character or maybe even possibly a real-life person who has written a book or, who has a book written about them.

If your child is learning from home at this current time, we would love it if you could send in a picture of them enjoying themselves and their favourite book. These images can be emailed to their class teacher, as it would be amazing to create a display that included as many children as possible.

Please look out for special World Book Day activities on the One Drive for your child. There will be activities for each year group to complete for a bit of fun. Remember, reading for pleasure is incredibly important and you need to spend time to find a book that grabs your attention.

Looking forward to seeing all of your incredible outfits.

Thank you for your continued support,

Mrs Russell

Head of English
