

The Victory Primary School

The best in everyone™

Part of United Learning

Year 1 Continuity of Learning

2020 to 2021

Name: _____

Class: _____

Welcome to our Continuity of Learning guide for Year 1,

The phrase 'Continuity of Learning' refers to our commitment to ensure that all children at The Victory have access to their curriculum this year, especially if they are having to work at home because of illness or lockdown. This will enable your child to continue to learn and not fall behind their peers. This is vitally important if your child is going to have the best life chances as an adult therefore, we are asking for your help to get your children working at home if they cannot be in school.

This guide should give you everything you need and we recommend that you keep it somewhere safe for the year, for example on your fridge door.

This way, if your child is not in school, you/they can access their learning at home safely and without delay. The guide contains QR codes so that you are taken straight to the right place and can find everything you need easily. If you do not have a device that will read QR codes, please visit our school website.

If you have any questions, please do not hesitate to contact us.

Many thanks,

Kath Jones
Head of School

Throughout this year, all of our homework is available online through the Sway below.

If your child is unable to attend school for any reason, then we have also shared the Year 1 learning activities online through a Sway and a folder of learning resources that can be accessed below.

Children have learnt how to do this in class and this has been designed to be as easy as possible to use so scan the QR codes below to take you to the right places.

Homework

Your child has been provided with a pack of work to complete for homework.

Year 1 Sway

This Sway will take you to the links you need to access your child's learning.

Online Folder

Scan here to avoid the Sway and go straight to your child's folder.

Staying Safe Online

Make sure you stay safe online! Scan here to be reminded how.

Reading

For additional reading activities, your child has access to Bug Club. Here are the login details.

Bug Club

Or type this link - https://www.activelearnprimary.co.uk/login?c=0
Username:
Password: BugClub1
School Code: w96x

Maths

For additional Maths activities there are videos on White Rose to support our Maths curriculum.

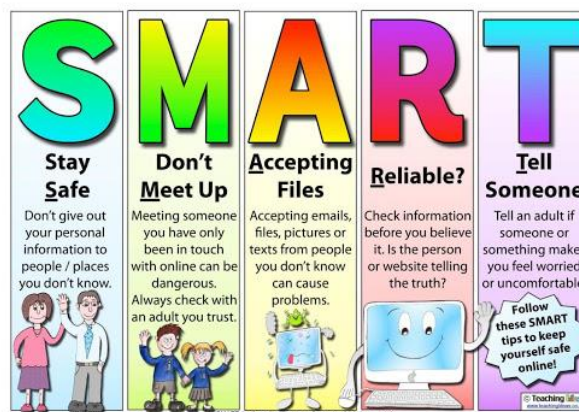

White Rose

Or type this link - https://whiterosemaths.com/homelearning/year-1/

Other Areas of the Curriculum

Learning for all other areas of the curriculum will be available through the Year 1 folder.

The Oak Academy and BBC Bitesize websites are also useful for supporting your child's learning at home.

There are also links below to our weekly assemblies and the Victory Primary School Curriculum.

Victory Primary School Curriculum	Assemblies	Oak Academy	BBC Bitesize
			

If you or your child are unsure how to do this, please do contact your child's teacher by emailing Year1email@thevictory.portsmouth.sch.uk or visiting: <https://www.thevictoryprimary.co.uk/learning-from-home>

Please contact the following email for any computing issues, queries or questions - computingcurriculum@thevictory.portsmouth.sch.uk
